

POLENTINO Ø25 - POLENTINO Ø31
electric mixer

Pot in copper
99,9 %

Safety cable holder

Steel pot handles

Compact motor unit

Removable blade and motor for ease of cleaning

ELECTRIC COPPER POT.

For delicious, easy to make polenta...without all the hard work. Polentino mixes the polenta mixture slowly and continuously inside a pot made of food grade 99.9% pure copper for even, homogeneous cooking.

The practical steel handles make it easy to pour the polenta, whilst the blade and motor can be removed for ease of cleaning.

Polentino is available in two diameters, 25 and 31 cm, perfect for 5 to 14 people respectively.
