FULLY AUTOMATIC CITRUS FRUIT SQUEEZER

Minimal design for maximum functionality. Auto-Squeezer is the revolutionary, fully automatic citrus fruit squeezer.

Automatic Press&Juice System: just press a button and the device automatically starts the squeezing process, producing delicious fruit juice in a matter of seconds.

The multi-format cone allows you to squeeze fruit of any size: grapefruit, oranges, lemons or limes, without having to constantly change accessories.

No more splashes or drips thanks to the spout with drip-saving cap.

Auto-Squeezer is easy to dismantle and clean. Some parts are also dishwasher safe.
