

PURE PURE wi-fi air purifier

It purifies and sanitises 99.97% of the air thanks to the special filter HEPA H13 - 4 in 1 and the UV LED light

For environments up to 104 m²
CADR of 400 m³/h

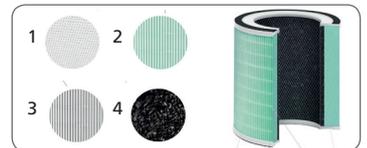

Automatic air quality control with **high precision laser sensor PM 2.5**

4-LAYER FILTER

for a high level of purification

It removes ultra-fine particles up to 0.3 µm such as viruses, bacteria, pollen and dust and animal hair

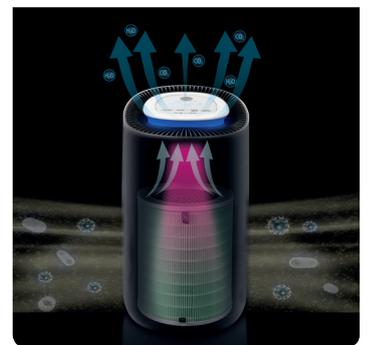

- 1 Prefilter
 - 2 HEPA H13 filter filters up to 99.97% of the finest impurities
 - 3 Antibacterial filter
 - 4 Activated carbon filter
- The filter life is 2,200 hours

UV LED

it disinfects and sterilises

It eliminates bacteria and viruses

POWERFUL AIR PURIFIER WI-FI FUNCTION AND DEDICATED APP

Pure Pure is a smart and powerful air purifier. Its multiple functions can be controlled directly from the touch screen control panel or, if you prefer, through a dedicated free APP in Italian, using a WI-FI connection.

The special 360° 4-in-1 3D filter consists of a prefilter for less fine impurities, a HEPA H13 filter treated with an antibacterial solution, which captures 99.97% of ultrafine particles such as pollen, mites, mould spores and organic compounds and an activated carbon filter that eliminates smoke, odours and harmful gases.

The function of the UV LED light combined with the HEPA H13 antibacterial filter disinfects and sterilises the environment, eliminating viruses and bacteria.

PURE PURE is suitable for rooms up to 104 m². It has a very high CADR (Clean Air Delivery Rate) clean air emission rate of 400 m³/h and purifies the air in a 20 m². room in just 20 minutes.

LED indicator light that signals the need to replace the filter after 2,200 hours. A very precise PM2.5 laser sensor automatically scans in real time the substances present in the air and displays their quality on the touch screen panel, both numerically (µg) and chromatically passing from blue to red through yellow as the pollution increases.

IT COMES WITH:

- 1 Air purifier
- 1 3D 4-layer filter
- 1 x instruction manual

AIR QUALITY CHROMATIC DISPLAY

BLUE 0-75 (µg)

YELLOW 76-150 (µg)

RED 151 (µg)

Item: 879

EAN Code: 8033011322283

Weight: 4.650 kg

Clean air emission rate: 400 m³/h CADR

Power: 50W

Sound level: dB(A)56

Surfaces: up to 104 m²

Colour: white/black

Dim.: L27xD30.3xH49.7 cm

Filter: 4 layers

Voltage: 100-240V ~ 50/60Hz

SELLING UNIT:

Dimensions: L34xD30xH54 cm

Weight: 4.850 kg.

MASTER CARTON:

Dimensions: L34xD30xH54 cm

Weight: 4.850 kg.

Quantity: 1 pc.
